

## CABLE/JOINTING KITS

ZECH/S Heat Shrink jointing Kit  
1-2.5mm<sup>2</sup>

Resin jointing kit according to  
UNE-EN60335-1 standards.  
For medium and low voltages and  
fast drying 10-15 minutes.

EC 04: For cables up to 4x4mm<sup>2</sup>  
EC10: For cables up to 4x10mm<sup>2</sup>  
EC25: For cables up to 4x25mm<sup>2</sup>

## CABLE/JOINTING KITS

### EC04

Moulds in Polypropylene

Resin kit in bicomponent liquid polyurethane (100ml)

Resin dosimeter

50cm vulcanize adhesive tape

Four tubular terminals.

### EC10

Moulds in Polypropylene

Resin kit in bicomponente liquid polyurethane (180ml)

Resin dosimeter

50cm vulcanize adhesive tape.

### EC25

Moulds in Polypropylene

Resin kit in bicomponent liquid polyurethane (300ml)

Resin dosimeter

75cm vulcanize adhesive tape.

### Physical features @ 23 deg c

	Value	Unit
Density	1.51-1.55	gr/cm <sup>3</sup>
Hardness	88/87	Shore D1/D15
Drying Time	10-15	Minutes

### Resin Thermal features

Service Temperature -40/+130 deg c
